

PARKER COUNTY SHERIFF'S POSSE (PCSP) BUILDING RENTAL RENTAL POLICIES, RENTAL FORMS AND FEE SCHEDULES

Event Policies and Procedures

Any event held at the Parker County Sheriff's Posse must not impose a hardship on the Posse's property, premises, staff, visitors, or neighbors. The individual signing the contract is responsible for conforming to the following rules and regulations.

Any party seeking to use the Parker County Sheriff's Posse for an event will assume full responsibility for the conduct of all persons attending the event. The renter will be responsible for any damage to the premises caused by guests, attendees, caterers, or other independent contractors. The renter will also be required to conduct the event in an orderly manner in full compliance with all applicable laws, codes, rules, and regulations.

The Parker County Sheriff's Posse reserves the right to exclude any activity, group, or individual deemed a risk to PCSP property or interests. Groups or individuals shall be given equal opportunity regardless of race, color, sex, religion or national origin.

The PCSP reserves the right to terminate a reservation during the activity if conditions so warrant. Any items left on the premises for thirty days become the property of the PCSP.

Damage Deposit and Cleaning Fee

In order to secure a date, a completed and signed reservation form must be on file accompanied by a reservation/damage deposit of 50% of the rental fee, and the person signing the contract must be 21 years of age or older. The deposit is a separate fee from the rental fee.

Deposits will be refunded if the facility is left in the same condition as it was prior to the rental. (Allow up to two weeks to process return of deposit). Deposits will be kept if the facility has been left in an unacceptable manner as determined by Facility Coordinator. Any damage to PCSP property or interests that is assessed to be greater than the amount of the deposit will be charged to the individual signing the contract.

Cancellations

When cancellations are received at least 45 days before the event, any paid rental fees will be returned, however, the reservation/damage deposit fee will not be refunded. If a cancellation is made less than 45 days before the event, the reservation/damage deposit and any paid rental fees will not be returned. Exceptions to this policy must be approved by the Facility Coordinator.

Limitations

Your event is limited to the exact space and time scheduled as specified by your contract. Event set up will begin no earlier than the scheduled rental time and cleanup must be completed by 7:00 AM the following day. This includes any setup or takedown provided by the renter, guests, caterers or independent contractors. If additional time is required, appropriate fees will be assessed and are due before departing the premises. **If you need the facility the day before the event to set up there will be a charge of 50% of the rental price. If you need the next day to clean up there will be a charge of 50% of the rental price.**

The PCSP is not responsible for any equipment, supplies or personal items brought onto the property or left behind after an event. All rentals must end and cleanup must be started not later than 12:00 am Sunday-Friday and 1:00 A.M Saturday.

Decorations

Decorations, table settings, and other such displays, if used, must be on a table or freestanding. Nothing may be attached to the ceiling, walls, drapes, fixtures, windows, etc. No candles or other open flames are allowed in any area of the building. *However, unity candles are permitted for weddings and candles on cakes are permitted for birthdays.* **Fog machines, fans, or other devices that may affect the building's humidity levels are prohibited.** All decorations must be approved by the Facility Coordinator. Setup and removal of decorations are the responsibility of the renter.

Parking

Vehicles parked inappropriately (e.g., in fire lanes, on the grass, etc.) will be towed at the owners expense and parking on the grass at any place is prohibited. The PCSP is not responsible for vehicles belonging to renter,

their guests, invitees, caterers or other independent contractors either during the event or left on the parking lot after the event has ended.

Security Officers

With each event an appropriate number of security officers are required. PCSP will provide the officers at a cost of \$30.00 per hour per officer due day of the event and payable to the officer. The number of officers and the length of their presence will be determined by the type of event being held, the number of guests attending, and the duration of the event.

In order to maintain crowd control the security officers request that you provide armbands for your guests to wear at the event. This will help control your party and prevent party crashers. If anyone arrives without an armband the security officer has the right to ask the person(s) to leave the premises.

Alcohol

Alcohol may be served to guests; however, under no circumstances can it be sold, redeemed for tickets, etc. **Glass beer bottles are not allowed.** The renter must accept responsibility for monitoring alcohol consumption of guests and must obey all state laws and regulations. PCSP will not be responsible or liable for any incidents, accidents or damages of any type involving or brought about by the consumption of alcohol.

Approval for alcohol consumption is given by the Facility Coordinator upon scheduling the rental.

The renter agrees to indemnify and hold the PCSP harmless for any damages resulting to any person or property due to consumption of alcohol by renter, their guests, attendees, caterers or other persons on the property due in whole or part from renters use of the PCSP property.

Animals

No animals will be permitted on the premises except those assisting mobility-challenged individuals.

Sound

If renter intends to provide music during the rental period, a sound system test must occur no later than two hours before the event and be approved

by the Facility Coordinator. Live music or music provided by a disc jockey is permitted. Please discuss this with the Facility Coordinator. All music must end by 12:00 am Sunday-Friday and 1:00 am Saturday.

Catering

While the caterer, if any, must leave the catering kitchen and serving areas in the same condition in which they were found, the ultimate responsibility for cleanup of all the rented areas rests with the renter. Catering kitchen may be used for the warming of food only and may not be used for cooking of any type by renter or caterer. The large kitchen may not be used by renter and is to remain locked at all times.
